Water Stories of Green Square

The Country that is now known as Green Square is nadunga gurad, sand dunes Country, known for millennia for its nattai bamalmarray, freshwater wetlands and ephemeral ponds.

We acknowledge the generous contribution of Shannon Foster, D'harawal eora Knowledge Keeper & registered Sydney Traditional Owner in guiding as we work on Country. We would also like to pay respect to the Elders, past, present and emerging, acknowledging them as the traditional custodians of knowledge for these places.

Mapping Edges Research Studio:
